Education Bursary for Oncology & Hematology

The Woods Family Nurse Practitioner Bursary - \$2,000

This bursary is designed to provide funding for nurse practitioners working in Oncology and Hematology at JHCC and/or for a registered nurse who is currently enrolled in a nurse practitioner educational program. The bursary is intended to enhance the ability of nurse practitioners to provide comprehensive, person-centered integrated care to individuals with cancer and their families across the care continuum.

Staff supported through this bursary are expected to share their skills and learnings with their colleagues at JHCC and to make academic presentations of their work.
